

HEARTS FOR HALLEY 2019

February 4-15, 2019

*We just love our winter fundraising idea!
It is a "direct donations" campaign.*

We're raising money for our school's field trips, new classroom library books, and other significant classroom items!

How does it work?

You don't have to sell or buy anything.

Just make a donation (no amount is too small).

Your child's name will be placed on a heart and displayed in the main hallway.

Let's see which class collects the most ♥s!!

(The class with the most participation gets a reward)

Questions? Contact Maricia Woodham - secretary@halleypto.com.

Thank you in advance for your generosity in helping make Halley Elementary a great place to learn and grow!

Donations qualify as a charitable donation.

The PTO is a Section 501(c)3 nonprofit organization.

Please detach and return this portion, with your check payable to **WHES PTO**, place it in an envelope and send it to your child's classroom teacher by **February 15th**.
