

# Life Champ Martial Arts is coming to Halley Elementary!

Special After School Character Enrichment Program Starting Soon!

## What is the Life Champ Martial Arts After School Character Enrichment Program all about?

This unique course known as the ACE Program is a 5-session character development program that incorporates physical exercise with life skill lessons. This innovative series of classes is designed to not only introduce your child to basic martial arts but to also improve concentration, listening skills, cooperation and courtesy. It will benefit your child at home, at school and in team sports. The black belt instructors from Life Champ Martial Arts have volunteered their time to teach the program at dozens of area schools during the past several years. At this point we are so proud to say there are literally thousands of Life Champ Martial Arts alumni.

## How does it benefit My School?

The instructors and materials required to run the program will be donated by Life Champ Martial Arts as part of our commitment to helping local children in our community. One Hundred percent of the proceeds earned from this program will be donated directly to your school.

*This program is taught by certified Black Belt instructors from Life Champ Martial Arts. Our teams are experts at working with kids. They are patient, enthusiastic and know how to make learning fun.*
